Special City Meeting Votes Against

\$2,000 Asked For Turns Down Prolect to Appropriate \$1,500 for Paving.

Mayor Denlel P. Dunn called the special city meeting to order in the town hall Monday afternoon at 2 o'clock.

The following resolution was introduced by Corporation Counsel Williams Williams Were married by Rev. Father Mooney and the nuptial mass was celebrated by Rev. T. H. Sullivan. Both the paving on Main street, from a point where the work under the present appropriate to cluster the surface of extending the paving on Main street, from a point where the work under the present appropriate to cluster the surface of extending the paving on Main street, from a point where the work under the present appropriate to cluster the surface of extending the paving on Main street, from a point where the work under the present appropriate to cluster the surface of t

There appeared to be considerable dis-satisfaction at the result. By the ac-tion of the electors the street depart-ment is left with practically no more money with which to continue work on the city streets for the remainder of the fiscal year—something like six or seven weeks more.

To the installation of a new bonier at the town farm were also opened and as soon as a few details can be arrang-ed the boiler will be installed, follow-ing the award of the contract, that will be made as soon as possible. The various appointments will be made later.

seven weeks more.

Mayor Dunn stated that under the statutes of the state the city had to take care of the streets and that he had the right to borrow money with which to have the work done. Alderman D. B. O'Conner chalters, of the man D. B. O'Connor, chairman of the street committee, stated that he had facts and figures to show where the man D. B. O'Conner, chairman of the street committee, stated that he had facts and figures to show where the money had gone the past year and why the city meeting should have appropriated the \$2,000 for the work on the streets, but as no one desired him to make a statement there was no reason doing so. The electors without think-fully family here, taking up his residence that the passible results of their sec. at 21 Chestnut street. Mrs. Loree's doing so. The electors without thinking of the possible results of their action have gone and tied up the street department without seeking any interest of the second of the control of t

department without seeking any information.

The city certainly will be held liable for any accident that may occur as a result of defective streets for the balance of the fiscal year and one such accident might entall a greater expenditure than the entire \$2,000 asked.

After the meeting it was stated that \$1,500 of the street appropriation this year had gone towards paving gutters, etc., where new sidewalks have been laid. About a mile of new sidewalks have been laid and all the paving incident thereto has been an exing incident thereto has been an exstreet department appropriation, in-stead of being taken from the sidewalk

ppropriation.

Another fact that was brought out as that it was costing the city con-derably more this year for teams and carting. There were plenty of ar-ruments following the meeting but hone was advanced during the brief

and tranquil session.

Mayor Dunn said it will be poor advertising for the city of Willimantic to have it known throughout the state that work on the streets has been halted and will remain at a standard for search that work on standard for search that work on standard for search that works

Perhaps you will be in the market for a new Gun.

COMRADES ARRANGE BURIAL. Nothing Heard from Relatives of Ario B. Love.

All efforts to locate relatives of Ario B. Love, who was killed in some manner early Saturday morning near the railroad tracks, have proved futile, and A. C. Tyler camp, No. 8, U. S. W. V., will accordingly hold a funeral for their deceased comrade from Killourey Bros. rooms on Union street this (Tuesday) afternoon. Spanish War Veterans are to attend the service and a detail will act as bearers when the body is taken to Willimantic today (Tuesday). Mrs. Preston B. Sibley of Danielson is one of the number. As young women, the members of the organization worked together in the thread mill at Mansfield Hollow. Their last reunion was held at the Putnam inn, in Putnam. There are about iffeen members of the organization living.

Registrars in Session.

The New York fans were enthusias-tic in Willimantic Monday afternoon and evening, and many small wagers were laid upon the outcome of today's (Tuesday's) game. A delegation plans to attend the game today, believing that it will be the last of the series and that Hoston will easily be returned

Republicans Plan Big Rally With Ad -Pomfret Road Hearing Postponed -Grange Enjoys Neighbors' Night.

The first rally in Putnam of the present political campaign is scheduled for Friday evening of this week under the auspices of the republicans of the city. The speakers are to be Congress man F. X. Schoonmaker of Pennsylvania, rated as one of the best politiical orators of the year, and Gustaf B. Carison of Middletown, republican can-didate for secretary of state.

Announcement is made that Sarah Williams Danielson chapter, D. A. R. will devote considerable attention this year to the restoration and improve

POMFRET ROAD HEARING.

Postponed to the First Monday in April of Next Year.

There will be no developments, it is expected, for several months in the matter of the petition of citizens of Pomfret to the county commissioners for a hearing before that body relative to the improving of the road in Pomfret leading from the Haskell stand to Brooklyn. The hearing was set for Monday in this city, but was adjourned until the first Monday in April of next year. Several reasons for such a long restnonement exist and it was long postponement exist, and it was said here Monday afternoon that ultimately the outcome would be wholly satisfactory to the parties concerned. It is understood that the Pomfret selectmen's stand is that the road has

on.

One of the petitioners for the improvement of the road is so anxious to have the work done that he has offered personally to contribute a very liberal sum toward the work, and it is understood that other Pomfret people understood that other Pomiret people stand ready to give money for the pur-pose. The road in question is not a bad one during the summer and fall seasons, but during the spring and winter is at times impassable, some of the petitioners claim.

Tommy Tucker, the great big (Continued on Page Six.)

Your Brain Is a Battery Its thoughts are the sparks . that set Success in motion.

The simplest form of battery requires three factors to make the electric spark-(zinc. copper and an acid).

The human brain also requires three vital elements to put forth thought-water, albumen and Phosphate of Potash.

In the Brain as in the Battery, let a single element become weakened from yesterday's use and lessened activity follows. Therefore, in order to keep a good working brain or add to its power, one absolutely must use food which contains albumen and Phosphate of Potash.

Why not do a bit of thinking now?

Water and Albumen exist plentifully in every-day food, but Phosphate of Potash is often lacking.

That missing element exists freely in the outer coating of wheat and barley, but the miller of white bread flour throws it out because it makes his flour brown instead of white.

Grape=Nuts

Made of choice wheat and malted barley, retains the rich brain-building Phosphate of Potash required by Nature for supporting bright brains and active minds.

Pure! Wholesome! Appetizing! This food is pre-digested and quickly absorbed. A morning dish with cream provides force for accomplishment that many a man has come to know and appreciate.

Common Sense goes a long way toward making Success.

To eat right often means to be right.
